Description

Document Description

The Cargo Insurance Certificate is a document indicating the type and amount of insurance coverage in force on a particular shipment. It includes the name of the insurance company and conditions of coverage.

The original copy of the Cargo Insurance Certificate is required in the filing of a claim. Copies of documents necessary to support an insurance claim include the insurance policy or certificate, bill of lading, invoice, packing list, and a survey report (usually prepared by a claims agent).

Who Should Purchase this Document

The Cargo Insurance Certificate Guide is helpful for anyone involved in international trade, including: exporters, importers, distributors, traders and brokers, logistics professionals, forwarding agents, shipping lines, airlines, and international trucking firms. This guide is also helpful to trade associations, chambers of commerce, consultants, professors and students of international trade.
